Docket No. 98N-1265 99 MAR 24 AIO 29  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,  
I OBJECT to the definition of "inordinate amount" which restricts the availability  
and the right to obtain medically necessary compounded medications by limiting  
the number of prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

COMMENTS:

*Please do not take away my  
right to choose whatever pharmacy I  
feel meets my individual needs - regardless  
of where it is located. For the past year  
I have received my "natural hormones"  
from Madison Pharmacy Associates in Wisconsin.  
I live in New Jersey. The service has been  
excellent and I want it to continue.*
